With a continued pursuit for high-quality, Couples Resorts sets the standard in culinary selections, authentic cultural touch points, and service that is legendary.

THE STORY OF AN ICONIC JAMAICAN BRAND

Founded by Abraham Issa, "The Father of Jamaican Tourism", Couples opened Jamaica's first year-round resort – Tower Isle Hotel in 1949 and never looked back. By 1978, he had pioneered the all-inclusive concept, combining luxury, service and romance that many have imitated but none matched. Named Couples Ocho Rios at the time, Couples Tower Isle served as the stepping-stone for building the unique Couples Resorts brand. Currently, Couples Resorts is led by Abraham's son, Elias "Lee" Issa and multiple generations of the Issa family who along with a dedicated team, remain committed to Abraham's vision.
